## GOALS FOR INSTRUCTIONAL PROGRAM

The district instructional program will help each student to:

1. read with comprehension;
2. think critically and reason competently;
3. communicate effectively through writing, speaking, observing, and listening;
4. use mathematical skills;
5. function creatively through cultural and literary activities;
6. develop skills for vocational success;
7. act with poise, self-confidence, and good physical coordination; and
8. understand and manage technology resources.

Furthermore, the instructional program will assist each person to:

1. appreciate and respect authority and the law within a democratic process;
2. assume a fuller sense of responsibility for himself and others;
3. achieve satisfaction in working to accomplish worthy goals;
4. exhibit fair play and good sportsmanship; and
5. participate in family life an worthwhile leisure activities.

The district fully accepts the concept that learning is a lifelong process, and toward this end actively encourages people of all ages to participate in a wide range of activities.
