Dear Parent/Guardian:

This year the MESMS Future Business Leaders of America Club is coordinating the *School-Pak* supply program. This will be an optional program where you can order your child's school supplies via the Internet.

School-Pak is a one-stop shopping service for your school supply needs. Based on our teachers' school supply lists for the 2009-2010 school year. School-Pak pre-packages the supplies for you eliminating the need to go shopping from store to store in the summer. Our teachers helped coordinate the supply lists with our club. Please be advised that some items may need to be replenished as the year goes on and some teachers may have a few "teacher specific" items that were not included in the packs.

In addition to using School-Pak, the MESMS staff has embarked on a recommended color coding system to facilitate organization. All of your child's supplies (binders, notebooks, & folders) will be color coded for each subject. This color coding system will continue throughout your child's three years at Mildred E. Strang Middle School. This is our second year in incorporating both of these programs and we hope that it will be helpful to you and your child.

To take advantage of this offer, simply go to:

<http://www.schoolpak.com/shopdisplayproducts.asp?id=1093&cat=Mildred+E+Strang+Middle+School> and choose the package of supplies you will need for your child's grade. A supply list is attached to the back of this letter for any parents who wish to shop on their own and not use the School-Pak system. This list, as well as an "*Organizing My Supplies*" sheet will be available on the MESMS website in the near future. If you have any questions about the School Pak program, please contact me at [ssniffen@yorktown.org](mailto:ssniffen@yorktown.org).

Sincerely,

Susan Sniffen
