## **OPT OUT FORM on the DISCLOSURE OF STUDENT IMAGES and WORK**

If you do not want the Yorktown Central School District and/or the individual schools to disclose your child's work, image or likeness as described in the NOTICE ON DISCLOSURE OF STUDENT IMAGES and WORK you must notify the District using this form. This form must be resubmitted every school year.

In order to opt out, you have to complete this form, sign it and return it to the main office of the respective school. If you have two or more children in the same or in other schools, an opt out form must be submitted for each child.

The form must be submitted within the first full week of school every new school year.

Please note, if you do choose to opt out your child/children it may interfere with their ability to participate in school and district events such as music and drama events, or newsworthy or publicized class projects.

My signature below notifies the Yorktown Central School District that I do not wish the disclosure of my child's images or work, as described in the District's NOTICE ON DISCLOSURE OF STUDENT IMAGES and WORK of the student(s) named below. This applies only to students under the age of 18.

This notice shall remain in effect for one school year only. A new opt out form will need to be resubmitted every school year. Any student 18 years of age or older must sign and file a new form with the School District if he/she does not wish disclosure of his/her work.
