

NATIONAL HONOR SOCIETY EXPECTATIONS

I have read and understand the YHS-NHS Constitution and the NHS Selection Procedure. I understand that I must have a cumulative weighted GPA of at least **3.300 (B+)** to be considered for selection. (GPAs are weighted; therefore, there is no rounding up.) I also understand that being invited to become a member is a **privilege**. The Faculty Council determines whether or not a student is to be invited. A student will not be admitted into the NHS if it has been determined that a student has committed a flagrant violation of school policy.

I understand that to be considered for the NHS, my participation in community service is important. I shall submit the community service documentation sheet verifying **40 hours** of community service. I shall submit **TWO** recommendations from **SERVICE ADVISORS** indicating my volunteer services, the documentation of the hours and also, return my Activity Sheet **signed** by my **coaches, advisors** and **employers** on the day designated by Mrs. Belardo to her personally in Room 320. If ill, arrangements must be made to return forms to Mrs. Belardo. I understand that if the **DEADLINE** is not met, I shall not be considered as a candidate. I understand that if I am ill I will make arrangements to have my papers returned to Mrs. Belardo.

If I am invited to become a member, I shall take the NHS pledge and abide by the NHS Constitution. I understand that with membership come obligations. I understand I must participate in EACH and Every activity listed below.

1. **MONTHLY MEETING:** to be held the first Thursday of each month. (I understand I cannot miss more than 2 meetings or a Dismissal Hearing will be called.)
2. Ten sessions of peer tutoring (**HOMEWORK HELPERS**) after school. Schedule is 2x a week for 5 weeks in the library.
3. Participation in one fund raiser voted on by the NHS membership.
4. Participation in dessert party for senior citizens at the Country House. This is held on a Thursday from 3 p.m. to 4 p.m. I give my child permission to attend and I realize my child is responsible for his/her transportation.
5. Participation in the NHS Induction Ceremony and Scholars' Night.

The National Honor Society is unlike any other after school organization in that membership is not only selective, but with membership come the above obligations. I understand that if I do not fulfill my expected obligations, I may be asked to appear before the Faculty Council for a dismissal review.
